Online Prayer Book

From the Retreat Nov 2014

Dear God,

I am thankful for the life I have –
everything you have given me,

For the friends and family that surround
me,

For letting them be healthy and always
having their guardian angels protect them
from anything that comes their way.

I ask you to help the sick and the poor, let
the sick gain back their strength. Let them
be healthy once more.

Let the poor have what they have always
wanted and not struggle anymore.

Through Christ our Lord,

Amen.

Samantha

Dear Yahweh, Savoir, Elohim, Adonai, My Creator,

You have given us life and death, the sun and moon, light and darkness, success and mistakes, compassion and love.

We ask you to help us deepen our faith in you, grow in love and respect towards our family and friends, and to help us discover and cultivate our new found strengths in life.

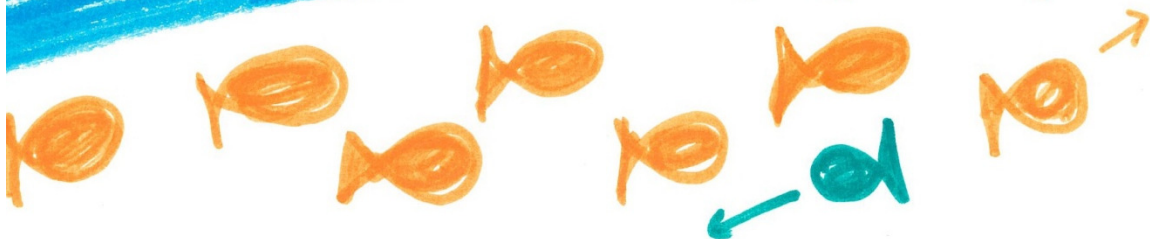

We also ask you to help us purify the world we live in today from violence, suffering, terrorism and hate.

We ask this through Christ our Lord,

Amen

Lord our Savior, Father, Guidance, Holy Spirit and Master,

Thank you for blessing me with life, family, friendships, death, a wonderful church, an education, a faith, my school, a home.

Also, thank you for blessing me with water, food, and shelter.

Oh Holy One,

Thank you for the gifts you bestow upon us so graciously.

For love, when there is hate.

For compassion, when there are conflicts.

For peace, when there is war.

For hope, when there is doubt.

And for faith when all is lost.

I ask you to keep bestowing these gifts upon me, my family, and everyone I love and care about.

Help each and every one of these people discover their OWN unique talents and gifts.
