Jewish Pirates of the Caribbean

By Edward Kritzer

At the end of the 15th century, the Spanish Inquisition had forced many Jews to flee the country. The most adventurous among them had taken to the high seas as freewheeling outlaws. This book tells of the cruelty, terror, and greed that had flourished during the Age of Discovery.

The Ultimate Gift
by Jim Stovall

This is the story of Red Stevens, a self-made man who realized, almost too late, the terrible mistake he had made. It is the story of Jason Stevens, as he makes a year long spiritual journey down a path that will lead to the incredible inheritance that his uncle has planned for him. And it is also our story, as we travel along with Jason, learning lessons in the most unexpected ways -- lessons that we can learn and apply every day, making *The Ultimate Gift*

New in the Bookstore from *Willow Tree*

Holy Family Bookstore is proud to present a new line, Willow Tree Candleholders, porcelain pieces that retain the tactile, hand-wrought quality that has come to be known as classic Willow Tree. The initial collection represents themes of hospitality, friendship, quiet reflection, and love. Variations in glaze color complement the simplicity of the bas-relief Willow Tree carvings. The candleholders come with a tea light, which softly illuminates a sentiment on the inside edge of the holder. The warm combination of beauty and function gives customers another meaningful way to give and receive Willow Tree.

New Vintage Medal Necklaces

Maria Alvarado, the talented lady who creates one-of-a-kind necklaces from vintage medals, has recently brought us a new collection of stunning necklaces. Included in this group are some medals we have never seen...very unusual miraculous medals; a medal which we believe is a depiction of Our Lady of Fatima, with a small cloth relic on the back; a sterling silver St. Lucy medal, and several different scapular medals. Also in this group are 2 St. Therese medals, including one with the following words written on the back: "I will spend my heaven doing good upon earth." Maria locates these special medals from sources in Europe and then creates lovely beaded and knotted necklaces from them.
