***Written by long –time  
Holy Family Parishioner and former Holy Family School  
Principal  
Bob Grossi***

Over his thirty-five successful years in education as a teacher, vice principal, WASC coordinator, and administrator, Bob developed his belief in a school community that is a caring, enjoyable, and exciting environment.

This wonderful book is intended for an audience of new and current teachers. Implementing Bob Grossi's methods of positivity and organization will open the door for infinite possibilities and allow anyone to **see, believe and achieve** the potential of the education experience.

Several years ago, Bob was struck down with ALS (Lou Gehrig's Disease). He has managed, despite his illness, to write this remarkable book. His physical condition may prevent him from joining us in person on March 21st, but his wife Marilyn will be present to greet customers and answer any questions relating to the book.

Please plan on joining us on that day to support Bob and Marilyn.
