

WISH LIST

HOLY FAMILY MISSION HAITI

Each year donations are collected by parishioners of Holy Family Church, community members and supporters of Mission Haiti across the country and are sent via sea containers to Haiti to aid in the work of Hands Together. After the devastating earthquake of January 12, donations seem even more important. Hands Together will rebuild. It will be a long year of stabilizing, supporting and offering hope to so many people who have lost so much.

The following is a specific list of items that are requested. Many people have offered to donate clothing, toys, blankets, tents, kitchen items, etc. Hands Together however, is not equipped to receive, store nor deliver a huge inventory of goods. Their focus must remain on feeding programs, education, basic medical care and sustainable development.

Please consider donating to Mission Haiti and please share this effort with colleagues, family members, and friends throughout the country. We are grateful for your continued support and prayers.

School Supplies:

Hands Together educates 10,000 students a year. Classroom items are needed for kindergarten through high school. Pencils, pens, erasers, notebook paper, computer paper, composition notebooks, scissors, staplers, educational wall posters, maps, calculators, books in English (grades K through 3), Spanish, and French.

Medical Supplies:

Hands Together treats 30,000 people a year in the only free clinic in the slum of Cite Soleil. Items desperately needed are basic first aid equipment, over the counter medications, common prescription medications, vitamins, medical tape, bandages, suture materials, ace wraps, etc.

Building Materials:

Hands Together will either rebuild or reinforce every structure. Tools, light weight equipment, possibly lumber and steel.

For inquiries about more specific needs, please contact Karl Holtsnider at 626-403-6139 or karlholt@hollyfamily.org. If you would like to receive updates about Mission Haiti and the relief efforts, email mmaternally@gmail.com.
