

## Church Environment Committee Member

### Purpose of Position

Serve as a member of the parish committee responsible for decorating the church worship environment. The committee designs and installs decorations in keeping with the liturgical themes.

### Responsibilities

- Meet periodically, as required. (The committee does not have regularly scheduled meetings.)
- Design, install and maintain the fabric art and other accoutrements for the liturgical seasons. Install banners, ribbons, and other pieces of decorative art.
- Arrange potted flowers and plants.

### Skills Needed

- Willingness to help and perform tasks as assigned during installation
- Artistic and creative abilities most welcome
- Experience in floral arrangement helpful but not essential

### When Ministry is Performed

The time commitment is flexible and varies from project to project. Committee members should be available for installation of decorations. The busiest periods are at the beginning of each liturgical season (Advent, Christmas, Lent, Triduum, and Easter).

### Length of Commitment

Indefinite

### Training

No specific training required.
