Welcome and thank you for coming to this special seminar on
Caring with Faith: The Catholic Perspective on End of Life Decisions.

We are glad that you are taking time to reflect and pray over tough decisions in your life. Our Catholic faith gives us the strength to look honestly at all experiences of God's creation. Illness and death are part of these experiences. We believe that if we take time to prayerfully prepare for these events in our lives and in the lives of those we love, we will be more peaceful and able to respond in a way that celebrates the gift of life given to us by our loving God.

Our Holy Family Mission Statement suggests that we connect our faith with life. The Adult Education Committee has worked to bring together a program that will help to begin a conversation about these very important issues.

HOLY FAMILY is a
welcoming Catholic
Eucharistic community
connecting faith with
life and reaching out
to those in need. ■
