## Prayers for Children Ministry

*Prayers for Children* is a ministry for all faiths and denominations. It springs from a deep concern for all children especially those trying to survive in deplorable conditions – children whose lives appear disposable.

The goals are:

- to **promote** worldwide prayer for all children, especially the most vulnerable
- to **increase** understanding and acceptance of all children
- to **open** the hearts of those who disregard human life, and
- to **encourage** acts of charity and justice among all peoples.

Because *it takes the whole world to pray for children*, all are invited to pray on the 15th of each month, in any way, alone or in community, for all children at home and abroad.

There are no committees, no meetings and no money involved – just the power of prayer!

*A prayer for your consideration.*

### A Prayer for Children

**Remember God's children  
on the 15th of each month.**

Jesus, you blessed the little children

Saying

*Let the children come to me*

*The kingdom of heaven belongs to them.*

Here on earth many children suffer

Victims of war, famine, circumstance

Of genocide, terror and torture

Orphans, slaves

Living in camps, sewers

Eating garbage, mud pies

Sick, exploited

Unloved, uneducated

Hopeless, alone.

Hear our voices around the world –

*Deliver these children from despair*

*No little one should ever bear*

*Guide us to show our care.*

*Jesus, remember them now and*

*When they come into your kingdom*

*We pray in your name*

*Amen.*
